## A Haven of Luxury

A cosy haven for a retired couple, this Mid-Levels apartment marries a rich variety of colours, textures, and hidden storage that creates an understated luxury flair  
 豐富色彩、紋理和隱藏式儲物空間，構建一對退休夫婦的輕奢居亭

### CLIENT BRIEF

The couple seeks a generous, comfortable living space to enjoy their happy retirement.

夫婦倆希望擁有一個大方、舒適的退休空間，既能在家款待親友，亦可享受愜意生活。

### CONCEPT & STYLE

“Rather than an extravagant design, we have created a residence that embodies a sense of understated luxury,” notes Mary Wong, the founder of Haven Design. The home embraces rich textures and colours such as olive, burgundy, and warm woods, accentuated by creamy walls for an exquisite flair. Detailed mouldings grace the ceilings, imparting a soft touch that enhances the overall beauty.

「我們沒有追求豪華設計，而是低調奢華的生活空間。」Haven Design Limited創辦人Mary Wong如是說。團隊運用豐富質感和顏色，如酒紅色和溫暖木色，並以奶油色牆身襯托出精緻格調。天花板的精緻線條，更為空間注入柔和感。

## == Tips ==

### BEHIND CLOSED DOORS

There is a lot of storage space beneath the eyes in this home - the bar area behind the sofa, cabinets concealed behind invisible doors in the corridor, which make for a clean, unified look when closed.

**深藏不露**  
這個家居暗藏不少收納空間，包括客廳梳化後的酒吧區，以及走廊牆身後的隱藏式收納櫃，配合牆身藝術漆，讓外觀簡潔統一。

### THE LITTLE THINGS

Elegant rose gold accents are used throughout the three bathrooms as a common thread. It's always nice to have something that visually connects different areas, even with varying styles.

**見微知著**  
三間浴室均以優雅的玫瑰金裝飾作為點綴，在細節上把空間視覺連接起來，即便風格不用完全一致，也仍然互相連貫。

### STAY FOCUSED

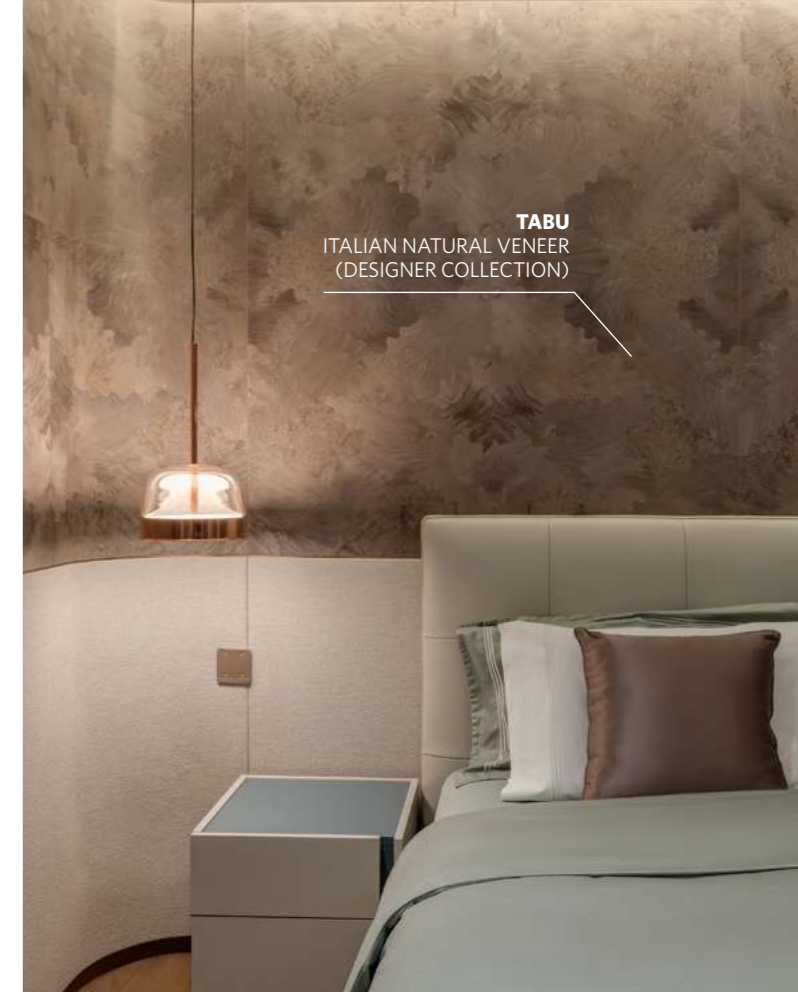

A vibrant feature wall at the far end of the hallway serves as a focal point as you move from the living room to the bedroom, introducing visual interest to the space.

**焦點所在**  
走廊盡頭以一面特色牆作為視覺焦點，充滿活力的藍色圖案裝飾，為空間注入視覺趣味。

### FORM AND FUNCTION

A shower seat, handles, floor heating system, and a smart toilet can be found in the bathrooms tailored for the couple's safety and convenience. When designed correctly, they don't necessarily have to compromise aesthetics.

**才貌雙全**  
浴室加設安全設施，配備淋浴座椅、安全欄、地暖系統及智能座廁等，同時不失優雅感。

### CHALLENGE

A significant challenge of the project is the foyer, which originally lacked natural light and had limited floor area. However, a decent first impression is everything.

項目其中一項挑戰是玄關採光不足，而且空間偏小。然而，玄關是單位予人的第一印象，不能馬虎。

### SOLUTION

The design team opens up the foyer with arched windows and decorative wood panels, definitely separating it from the living and dining room while at the same time creating a sense of flow and unity. The openings allow light and views to pass through, enhancing the sense of space and openness upon entering the home.

設計師運用圓角室內窗戶及木屏風結構，將玄關和客廳清楚劃分，同時亦互相連貫，提升空間通透感。
